VILLA FURTADO

Ideally situated in Nice, on the famous «Promenade des anglais», the Villa Furtado-Heine, also called "Villa of the Officers" rises in a neo-classic style...

Nice is the fifth most popular city in France. Located in the French Riviera, on the south east coast of France on the Mediterranean Sea, at the foot of the Alps, Nice is the second-largest French city on the Mediterranean coast and the second-largest city in the Provence-Alpes-Cote d'Azur region after Marseille. Nice is about 13 kilometres (8 miles) from the principality of Monaco, and it has an international airport.

The "Villa of the officers" is a masterpiece of the French architecture of the 18th century with its gardens, terrace, sculptures, furnitures, mouldings, lounge, lusters and a refined decoration at the heart of Riviera. Discover its park of 4000m², haven of peace marked by a varied and exotic flora, renewed with the support of the botanical garden of Nice.

However as it is a legacy, and according to the conditions of this legacy, holidays stays are reserved for the active officers or the retired people, the officer cadets and the upper categories of the ministry of the Armies. Be careful, this conditions don't unfortunately allow us to open the structure to everyone.

The Villa Furtado-Heine welcomes you for a pleasant and unique stay.
