CZOCHA CASTLE

About us

We would like to cordially invite all lovers of history and active leisure to visit Czocho Castle located above Leśna Lake in Sucha City.

The medieval Czocho Castle is one of the most beautiful landmarks of Lower Silesia. Available for visitors, it is first of all an amazing place for recreation (the hotel part accommodates 125 guests). The facility is a great place for conferences, business meetings, wedding receptions, open-air company parties and other special events.

Excellent environment for conferences, training sessions and all types of business meetings:

- 4 conference rooms,
- conference equipment,
- conference package.

We offer:

- accommodation in the Prince's Chamber and theme rooms of higher standard or family rooms,
- sauna and gym,
- water sports at Leśna Lake,
- walks along the tourist routes of the Kwisza River,
- base camp for trips to the mountain ranges of Izera and Karkonosze,
- trips to Świeradów Zdrój, Szklarska Poręba and Karpacz, Prague, Frydlant and Dresden,
- ability to rent a bike.

Rooms

Depending on preferences of our guests, we offer a standard room or theme room that will delight even the most demanding guests.

We can also offer economy rooms with shared bathroom and rooms in the tower with the tourist standard. In our offer we have rooms for 1, 2, 3 and 4 persons, one double apartment and the Prince's Chamber.

All rooms are equipped to provide the highest comfort of our guests.

However, due to the historic character, the Czocho Castle has 9 rooms without bathrooms. Compensation for the lack of bathrooms is always clean and hygienic showers in the corridor.

The Tschocha Castle is a unique place that is visited by hundreds of thousands of tourists every year. It is no coincidence that this medieval fortress is so popular, because as a monument it is a pioneer of a new look at tourism and tourists on the Polish market. This status is confirmed by numerous awards, such as the one awarded by the Polish Tourist Organization: Certificate - The Best Tourist Product of 2019.

Seekers of secrets from around the world, both - those discovered and those remaining in the sphere of conjectures - come here every year wanting to learn the history of this unique and charming place, and to find confirmation of the legends circulating.

And the possibilities of the castle are almost unlimited, as evidenced by numerous festivals attracting crowds of tourists, among others: "Crime and the Castle", "Hussites Turmoil", "Fortress of Flavors", "Festival of Film Pyrotechnics" or "Secret Tschocha Castle" will take you to historical realities of this place and region. The castle calendar is also filled with corporate events in unique conference and banquet rooms, weddings, celebrations, as well as occasional balls: honeymoon, carnival, St. Andrew's and New Year's Eve.

The Tschocha Castle offers three categories of rooms - standard, economy, superior, as well as the Prince's Chamber and the Suite. The name of the superior rooms refers to the character of the architecturally beautiful fortress, and their decor reflects the atmosphere of old times. In total, there are 125 beds available in single, double, triple and quadruple rooms. The castle also houses the "Uczta" restaurant, where guests can try local culinary specialties prepared with regional ingredients. The menu is based mainly on Old Polish cuisine, thus emphasizing the historical atmosphere of this place.

Additional attractions:

The most interesting of them is certainly the possibility of the Night Tour of the Castle, during which you can learn, among other things, the secrets of the castle cellars combined with tasting.

Other attractions include:

- visiting the castle with secret passages during the day
