

INFORMATIVE REPORT
MYC
“RIVA DEL GARDA”
LOGISTIC AND TRAINING CENTRE

FACILITY SUMMARY

Description: *Italian Army military facility*

1. SUBJECT AND PURPOSE OF THE REPORT

With regard to CLIMS activities and camps in Italy planned for 2025, we look forward to holding a multinational camp in the facility located in the charming town of Riva del Garda (Brescia).

2. DESCRIPTION

The Logistic Centre is multi-purpose and consists of the following facilities:

- 1 synthetic turf football pitch in excellent condition;
- 1 concrete tennis court in top condition;
- 2 accommodation buildings (with mini-apartments);
- 1 building (offices, secretariat, headquarters branch);
- 1 barbecue area;
- 1 multi-purpose hall
- 1 facility with attached canteen and bar
- 2 swimming pools (one for children)

A masonry fence over 2 m high encloses the structure.

Inside, there are pathways, plots, green areas with hedges and plants, and enough streetlights to illuminate the entire facility.

Access to the facility is through a vehicle gate and one pedestrian gate.

The facility is equipped with a large car park.

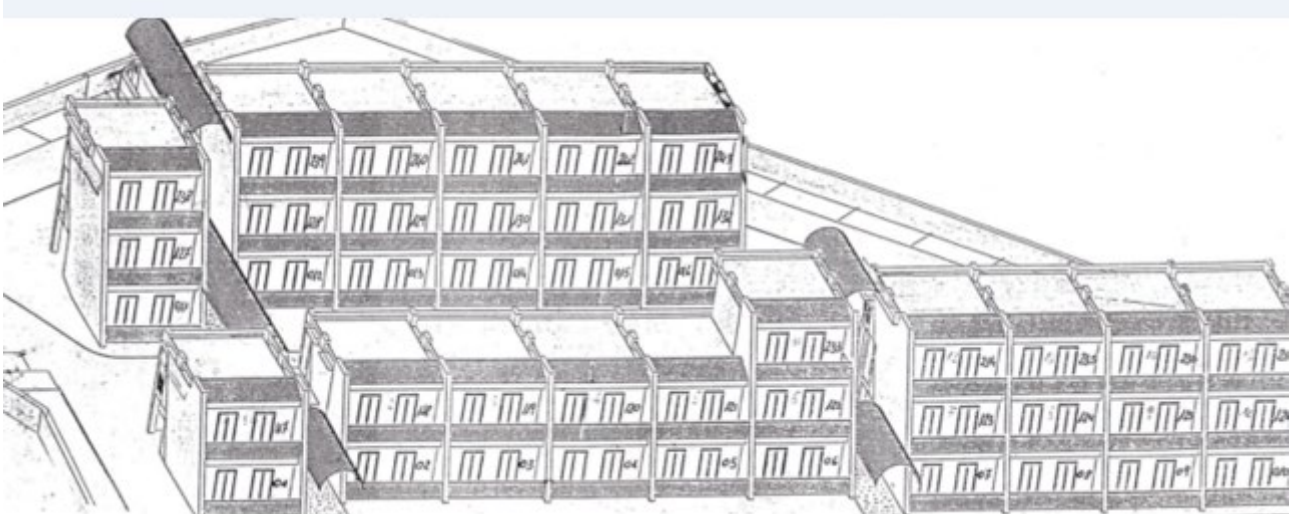

State of maintenance of the building

Overall, the property is in a REGULAR state of preservation in relation to the age of the building, the children would occupy the rooms divided over the two buildings.

POSSIBLE ACTIVITIES

Trekking on Ponale Mount, photographic rally in Riva Del Garda, Caneva World water park, Photographic rally in Verona, pool games, rafting, visit to Trento, Ledto lake Activities, Gardaland, orientation games, nation dance nights, magic show, bbq evening etc.

*the program and activities could change depending on the weather conditions and the general interest of the camp participants.
