Międzyzdroje

LEISURE

REWITAMIędzyzdroje is located in one of the most popular Polish resorts, by the famous Promenade of Stars, where, as in Hollywood, the most outstanding Polish artists were honored with handprints and autographs. The center is surrounded by an amphitheater and an extremely attractive over 100-year-old pier extending nearly 400 meters into the sea, from which cruise ships depart to Świnoujście and German ports on the island of Uznam. For nature lovers, the Wolin National Park will be an attraction, but it is also worth visiting the nearby V-3 Museum, located in an original post-German bunker, where you can learn about the history of the secret military training ground and unrealized concepts of new weapons of Nazi Germany.

We offer 350 beds of various standards and configurations in several buildings located in attractive parts of the city, the most popular of which is the historic villa "Grunwald".

Jurata

LEISURE

REWITA Jurata has a unique location on the longest natural pier in Europe - the Hel Peninsula. Due to its location in the forest, surrounded by unique dunes and vegetation of the Seaside Landscape Park, it is an ideal place to rest for tourists looking for peace and quiet.

The facilities of the resort are located both from the open sea and the Puck Bay. We have, among others a private pier, a beach bar, and the sunset view of the Tri-City from the terrace of the cafe located on the very shore of the bay, can claim to be the most beautiful view on the entire peninsula. The spit widening towards Hel and undeveloped areas are an excellent walking route and an enclave of silence, and the pine forests on the charming sand dunes, combined with the sound of the sea, give the area a synergistic and unique atmosphere. Strong winds from the direction of the Puck Bay are conducive to active forms of recreation, attracting crowds of windsurfing and kitesurfing enthusiasts. The length of the peninsula encourages forest and seaside walks, running or cycling trips. We also have our own access to the beach from the sea. Due to the modern base for performing medical treatments, the resort is also an ideal place for tourist groups with a rehabilitation profile.

We offer over 1,000 beds in single, double, triple and quadruple rooms in exclusive rooms of the "Delfin" facility, pavilions and brick houses located between Jurata and Hel, differing both in the type of buildings, land development and finishing standard. Thanks to this, everyone can find optimal conditions for accommodation and recreation. The resort also has full catering facilities, offering a wide and diverse range of services in this area.

In addition, the resort's offer includes numerous additional attractions, including:

- Bistro by the Bay- sauna and fitness room
- marina with water equipment rental- gym and outdoor chess
- modern physiotherapy facilities- billiards, ping pong, table football
- tennis courts and playing fields for team games- a place for a barbecue and a bonfire - playgrounds and the largest playroom for children in Hel- camping site, caravan site.
- tourist bike rental

Czocha Castle

LEISURE

The Czocha Castle is a unique place that is visited by hundreds of thousands of tourists every year. It is no coincidence that this medieval fortress is so popular, because as a monument it is a pioneer of a new look at tourism and tourists on the Polish market.

This status is confirmed by numerous awards, such as the one awarded by the Polish Tourist Organization: Certificate - The Best Tourist Product of 2019. Seekers of secrets from around the world, both those discovered and those remaining in the sphere of conjectures, come here every year wanting to learn the history of this unique and charming place, and to find confirmation of the legends circulating. And the possibilities of the castle are almost unlimited, as evidenced by numerous festivals attracting crowds of tourists, among others: "Crime and Castle", "Husycka Zawierucha", "Fortress of Flavors", "Festival of Film Pyrotechnics" or "Secret Czocha Castle" will take you to historical realities of this place and region. The castle calendar is also filled with corporate events in unique conference and banquet rooms, weddings, celebrations, as well as occasional balls: honeymoon, carnival, St. Andrew's and New Year's Eve.

The Czocha Castle offers three categories of rooms - standard, economy, superior, as well as the Prince's Chamber and the Suite. The name of the superior rooms refers to the character of the architecturally beautiful fortress, and their decor reflects the atmosphere of old times. In total, there are 125 beds available in single, double, triple and quadruple rooms.

The castle also houses the Uczta restaurant, where guests can try local specialties prepared with regional ingredients. The menu is based mainly on Old Polish cuisine, thus emphasizing the historical atmosphere of this place.

Additional attractions:

The most interesting of them is certainly the possibility of the Night Tour of the Castle, during which you can learn, among other things, the secrets of the castle cellars combined with tasting. Other attractions include:

- visiting the castle with secret passages during the day
- visiting the Multimedia Torture Chambers
- fairy-tale sightseeing for families
- rappelling from the castle tower
- water sports on Lake Leśniańskie
- sauna and games room
- a rich educational offer for schools

Solina

LEISURE

In the heart of the Bieszczady Mountains, away from the hustle and bustle of civilization, surrounded by unique nature, directly on the Solina Reservoir, there is the REWITA Solina resort - an ideal place to relax for those seeking peace and tranquility in the bosom of nature.

The views from the Bieszczady hills and the nearby beautiful hiking trails - including two ending almost at the gates of the resort, make it an ideal place for people looking for convenient places for hiking and cycling. It is also an ideal area for observing wildlife, tracking animals and the so-called photo-safari. The cruise fleet operating on the lagoon offers admiring the landscapes of the Bieszczady Mountains from the perspective of cruises that dock at the marina of our resort. Cross-country skiing in winter and Nordic walking all year round are also becoming more and more popular. This still wild land of pastures and gentle mountain slopes, offering unforgettable views and picturesque landscapes, is a must-see for all nature lovers.

There are 663 beds in 2, 3, 4 and 6-person rooms, located in four buildings overlooking the beautiful Bieszczady countryside and the charming Solina Lake.
